Comments _____

For the purpose of claiming Arizona's tax credit for contributions made or certain fees paid to a public school, the Arizona Department of Revenue now requires taxpayers report the school's County Code, Type Code, and District Code & Site Number (CTDS) number on Form 322, which is included with the Arizona income tax return. The CTDS is a nine (9) digit number that the Arizona Department of Education uses to identify Arizona public and charter schools. **CTDS EEF: 07-823-9001 MIT CTDS: 07-823-9001**
