

August 28th – September 1st  
Family Newsletter

# IRON EAGLE PRESS:

Dear Iron Eagle Family, Happy Friday!

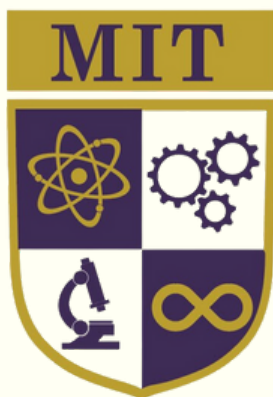

We hope that you are doing well and getting ready for your three-day weekend. We do not have school on Monday, September 4th in observance of Labor Day.

This week has been a busy week with the Student Council Election campaigning and voting. The school spirit was high all week among students to make their favorite candidates win the election. The Hearing & Vision Screenings took place on Thursday. This was only for the newly enrolled students at MIT.

The Quarter 1 progress report period ended last week and students received their grades for Q1P1 on Wednesday. The Q1P1 report card was uploaded to the student's accounts in Synergy and you should be able to see it by accessing the StudentVUE and ParentVUE account.

Have a wonderful and safe three-day weekend Iron Eagles, and we will see you back on campus on Tuesday!

–Mr. Gandhi, Headmaster

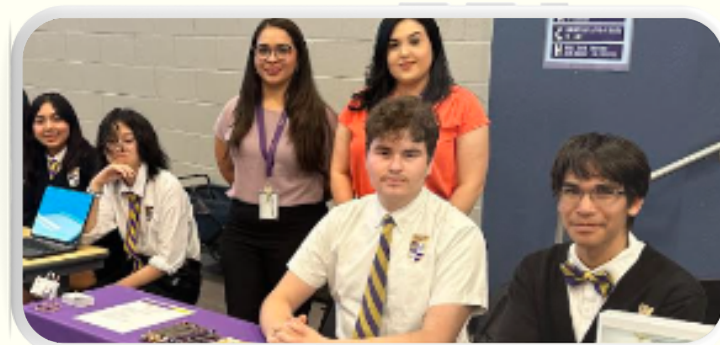

# NO SCHOOL MONDAY 09/04/23

Just a reminder that there will be no school Monday, September 4th in observance of Labor Day. We hope you have a great 3-day weekend and we will see you back on Tuesday.

## VISTA COLLEGE PREP HIGH SCHOOL NIGHT

Maricopa Institute of Technology spent Wednesday evening at the Vista College Prep for the High School Night. Our MIT students had a great time talking to the Vista High School Prep students, parents, and community members and representing MIT. We discussed our AP Programs, Dual Enrollment Courses with the GCU, the electives courses, and our clubs, activities, and sports program. This event was part of the recruitment process for our next school year. We have started gathering information from our parents and community members if they are interested in enrolling their students for the next school year. If you know someone who is interested in joining MIT for the next school year, please contact our front office or simply scan the QR code in the below flyer and fill out the information. Let us know if you have any questions.

We would like to thank our amazing students and staff who participated and provided support during this event.

# CLUBS AND ACTIVITIES

## OPEN MIC CLUB – ADVISORS: MR. MORGANSTERN & MR. MOYA

**About Open Mic:** "Show us what you've got!" This club will allow students to practice performance and presentations of almost all ranges of art and writing. We will host workshops and 'Open Mic' opportunities for all individuals to develop their *Voices* and have them heard. Create, step up, and drop the mic! We hope this can serve as a backbone for submissions to the Scholastic Art & Writing Awards.

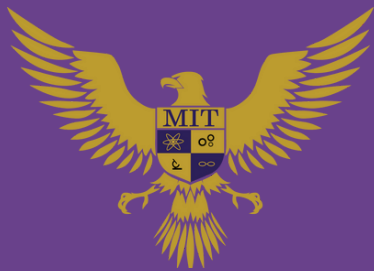

### ON BEHALF OF THE SCHOLASTIC NATIONAL GOLD KEY AWARDS FOR ART & WRITING...

**OUR MISSION:** The Scholastic Art & Writing Awards are presented by the Alliance for Young Artists & Writers.

The Alliance is a 501 (c) (3) nonprofit organization whose mission is to identify students with exceptional artistic and literary talent and present their remarkable work to the world through the Scholastic Art & Writing Awards. The Awards give students opportunities for recognition, exhibition, publication, and scholarships. There are now 30 different categories of Art & Writing (12 Writing, 18 Art)! See: [www.artandwriting.org/awards/how-to-enter/categories/](http://www.artandwriting.org/awards/how-to-enter/categories/)

**OUR GOAL:** To produce and submit original student-created works of passionate art or writing to the Scholastic Gold Key Awards national competition by December 1st, **2023**.

# STUDENT COUNCIL

This week, our school witnessed a remarkable event as we conducted the student council elections with a spirited display of sportsmanship and a commitment to democratic principles. We extend our heartfelt congratulations to all the individuals who courageously stood for candidacy for various positions within the student council.

A special note of appreciation goes out to every student at MIT who actively participated by casting their votes, making their voices heard, and contributing to the selection of their representative student council body.

Without further ado, we proudly present the distinguished winners who emerged victorious from the elections. These individuals have not only gained the trust and support of their fellow students but have also displayed the qualities and dedication that embody the values of MIT. Below is our student council for the school year 2023-2024. Congratulations to all the winners.

## Student Council 2023 - 2024

President - Mathew B.

Vice-President - Anthony H.

Secretary - Julia M.

Treasurer - Anthony Q.

12th grade Rep - Jennifer H. & Eddy G.

11th grade Rep - Ruquiya G.

10th Grade Rep - Alexandra C. & Irys T.

9th Grade Rep - Rheedita B. & Maryem A.

8th Grade Rep - Cassidy M.

7th Grade Rep - Myah H.

## CLASSROOM SPOTLIGHT

In this lab, students will be studying osmosis using potatoes. Osmosis is the diffusion (passive movement) of water molecules through a selectively permeable membrane (a membrane that allows for diffusion of selected solutes and water) from a region of higher water potential (high concentration) to a region of lower water potential (low concentration) until equilibrium is reached. Today the students are measuring the weight differences from their sample of potatoes in different concentrations of sugar that they set up yesterday. They will then calculate the natural amount of sugar that exists in potatoes, sweet potatoes, and apples.

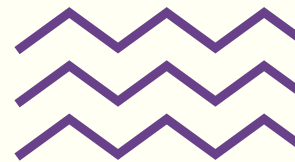

## SPORTS SCHEDULE

### Upcoming Weekly Schedule 9/4 - 9/8

- Monday, September 4th - Labor Day
- Tuesday, September 5th
- Wednesday, September 6th
  - 4pm Girls Varsity Volleyball Home Game (Kings Ridge) against Imagine Surprise
- Thursday, September 7th
  - 4pm Boys Soccer Away Game against West Phoenix High
- Friday, September 8th
  - 4pm Boys Soccer Home Game (MIT) against Empower College Prep
  - 7pm Football Away Game against Canyon State

# SPORTS

## Athletics Department Key Dates & Information

Our Winter Sports Parent/Athlete meeting is taking place on Monday, September 18th at 6:00pm in the MIT Lecture Hall. If you are interested in trying out for any of the teams listed below, then please join us to learn about our programs and meet our coaches!

- Boys Basketball
- Girls Basketball
- Cornhole
- eSports
- Chess

All students who want to try out for our winter sports teams must go to the URL below and follow the directions on the website page.

URL: <https://sites.google.com/mitglobalonline.org/mitathletics/winter-sports-tryouts>

The interest form will close on Saturday, September 30th. If an MIT student does NOT complete the sport-specific interest form prior to that date, they will NOT be allowed to try out.

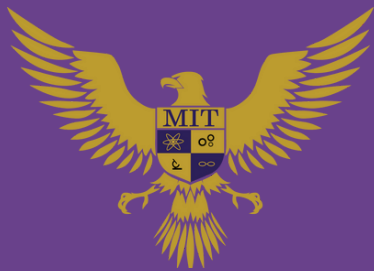

After completing the interest form, students must then complete the "MIT Athletics Eligibility Packet" and submit it to the front office prior to tryouts. You can find this packet on the athletics website or in the front office at MIT.

It may be difficult to schedule an appointment with your child's primary doctor for a sports physical. If that is the case, a local clinic called Concentra Urgent Care accepts walk-ins and the cost is \$35.

- Address: 5340 W Buckeye Rd Unit 3 Phoenix, AZ 85043
- Phone: (602) 233-2117

You will need the doctor to complete the approved CAA 2023-2024 physical form. This form can be found on the MIT athletics website under the tab called "Registration".

If you have any questions, please email our Athletic Director: [nbutler@mitglobalonline.org](mailto:nbutler@mitglobalonline.org)

## SPORTS

On Thursday, August 31st our MIT cheerleaders cheered at our first football game. The girls had an amazing time cheering on our football players, even though the game ended early due to the weather, the girls were able to experience their first sideline cheering!

**Have a great weekend Iron Eagles!**
