

Dear Iron Eagle families,

We hope you have been enjoying your summer. It is hard to believe we are only two weeks away from the 2022-2023 school year beginning. Our team has been working diligently to ensure a smooth and productive 2022 – 2023 school year. Please read the items below to ensure your questions are answered.

Lunch Application

The Food Service Department would like to welcome everyone back to a new school year! We would like to give you some important information about this school year. Since good nutrition is so important for growing bodies and learning minds, we hope to encourage your child to take part in the breakfast and lunch programs on a regular basis. The food service operation provides breakfast and lunch in accordance with the National School Lunch Program and the Arizona Nutrition Standards. Please visit the food service page at <http://www.mitglobalonline.org/Child-Nutrition-Services> regarding information on meal application, meal payment, and menus.
