Family Newsletter

# IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday...!!

Thank you everyone for attending the Academic Celebration – Family Night last Tuesday evening. It was great to see the parents, guardians, and students celebrate their academic achievements. We gave out over a couple hundred certificates, medals, and trophies. This represents our students’ teachers’ and staff’s hard work and dedication at MIT. Congratulations to all the students who received awards and or certificates!

We will continue this celebration in our next Family Night event when we will showcase some of our best science fair projects. We will send out the RSVP survey in a few days.

We are moving forward with our state and national assessments coming this April and I want all of our students to start preparing. We will provide guidelines and other information in the coming weeks regarding the testing.

Have a great weekend, Iron Eagles...!!  
Mr. Gandhi, Headmaster.

# NO SCHOOL FRIDAY 02/16/24

There will be no school on Friday, February 16th due to all-day STEM PD Day for Teachers.

## SCIENCE FAIR IS COMING!

This week, science students are putting their final touches on their Science Fair projects. The in-class science fairs kick off on Tuesday, February 6th, showcasing the incredible dedication and innovation of our students. Save the date for the Science Department Parent Night on February 27th, where selected projects will be proudly displayed.

Join us in fostering a spirit of encouragement and support for these aspiring scientists as they unveil their hard work and ingenuity. Let's make their journey memorable and inspire a passion for science!"

- Special Recognition – Higher Orbit Team – 3 student recipients

# ACADEMIC CELEBRATION – FAMILY NIGHT

# PSYCHOLOGY CLUB

This Thursday, the Psychology Club hosted a school-wide event for retired WNBA player, Adrain Williams-Strong where she talked about perseverance, motivation, and performance. Students got the chance to take photos with her and get autographs. It was a great opportunity for students to benefit from the talk as athletes are getting ready for the game season and students are preparing for big exams. Thank you to the board and advisor of the Psychology Club: Ruqaiya G., Zahra A., Raheemah G., Afsana A., and Dr. Anderson.

boys soccer & girls soccer**

# MIT STEMM HIGH SCHOOL ENROLLMENT 2024-2025

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the 2024-2025 enrollment is available on our school website in both English and Spanish. Please click on About Us, our school, and select APPLY TODAY. once the form is filled out it can be downloaded and sent to the MIT front office admin team via email at [jcovarrubias@mitglobalonline.org](mailto:jcovarrubias@mitglobalonline.org).

# MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

## **Vision:**

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM<sup>2</sup> careers.

## **Mission:**

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
