Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday...!!

It's hard to believe that we are already in the Spring Break. Thank you for attending the parent-teacher conferences this week. It is always a good opportunity to speak with teachers and develop a plan to support our students for their successful end of the school year.

FRIENDLY REMINDER: Parents, this is a friendly reminder to complete the Parent Feedback Survey. The survey link was sent to you via email at the beginning of this week and you should receive it again in your inbox today at 5:00 PM.

When we return from Spring Break, we will focus on preparing our students for the State and National Assessments and the end-of-the-year projects. We are also planning some exciting field trips and of course our promotion ceremony for the 8th graders and Graduation ceremony for our seniors.

Until then, I would like to wish you all a very happy and relaxing Spring Break.

See you after the Spring Break, Iron Eagles...!!
Mr. Gandhi, Headmaster.

SPRING BREAK 03.11.24 TO 03.15.24

Spring Break

No School

Monday 03/11/24 - Friday 03/15/24

Have a great break! See you
back on Monday 03/18/24

HISPANIC HONOR SOCIETY FIELD TRIP

HHS club students had the opportunity to attend the Arizona Hispanic Chamber of Commerce and Thunderbird Global Management University Extension at ASU. MIT Students learned about the resources that exist for minority and Latino students. The students also learned about resources for small businesses, scholarships, and college options that embrace global markets, businesses, and technology innovations. They had a great time with their classmates. We would like to thank Mrs. Alba and Ms. Valenzuela for arranging this amazing opportunity for our students.

FIRST SOCCER GAME ON OUR HOME GROUND STUDENTS VS TEACHERS

MIT students, teachers, and staff experienced the MIT Home Football Field for the very first time. The students vs. teachers soccer game was played on our home football field which was organized by our athletic director, Mr. Butler.

Students, teachers, and staff had a great time witnessing this game in the amazing weather. The game ended with a tie, with the score of 1-1 and then students won the game in the penalty shoot-out round.

A big thank you to Mr. Butler for organizing the event and our teachers for playing the game and showing their spirit.

MIT ATHLETICS

Sports Celebration

We will be celebrating our fall, winter, & spring sports teams on Monday, May 13 starting at 5pm in the MIT Lecture Hall.

5pm - Fall Sports
5:45pm - Winter Sports
6:45pm - Spring Sports

We will be providing water and cookies!

Football Game

Date: 3/18

Time: 7pm

Location: MIT Stadium

We are inviting the MIT community to come out and watch our Varsity Football Team and Cheer Team!

Kona Ice will be onsite as a vendor for the evening.

MIT STEMM HIGH SCHOOL ENROLLMENT 2024-2025

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the 2024-2025 enrollment is available on our school website in both English and Spanish. Please click on About Us, our school, and select APPLY TODAY. once the form is filled out it can be downloaded and sent to the MIT front office admin team via email at jcovarrubias@mitglobalonline.org.

If you refer a new student to attend our school be sure to let that family know to mention your name when they register, so your student can get a free uniform!

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
