IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday,

I would like to start my message for this week by saying Thank you to all the parents and guardians for your continued support for our students' success. We are almost in November. The next few weeks will go very fast because of all the celebrations and festivities going on the campus. I would like all of our students to have a good time and participate in all of these activities but at the same time not lose focus on academics. This quarter is very important as it will end with the semester and you will receive your semester grades which will reflect on your transcript with the GPA.

I know it is a little early, but can not wait to share with you that we are planning on hosting a Fun Family Night for all of our parents, guardians, students, and community in the second week of November. You will get the details and RSVP survey next week.

I also want to thank our Student Council and all other clubs and volunteers who helped MIT in organizing these events for us. Keep up the good work, Iron Eagles, we are very proud of you!

Everyone have a wonderful weekend and I will see you on Monday.

Mr. Gandhi - Headmaster

HOLIDAY WISHES FUNDRAISER

Dear MIT Community,

The MIT Student Council is thrilled to announce the launch of our Holiday Wishes fundraiser, an initiative that aims to make the holiday season brighter for a very worthy cause. We're excited to share that all the funds raised through this campaign will be dedicated to the "Candlelighters Childhood Cancer Foundation of Southern Arizona" to support children and families affected by cancer.

Our Holiday Wishes fundraiser is now in full swing, and you can actively participate in making a difference. We've curated a wonderful catalog featuring a variety of items, and students have already received this catalog earlier this week. Now, here's how you can get involved:

1. **Order from the Catalog:** You have the option to choose items directly from the catalog. To do this, please fill out the order form found within the catalog. Once you've made your selections submit the completed form along with your payment, which can be in the form of a check or cash. The front office will be collecting these orders to ensure a seamless process.
2. **Online Ordering:** We understand that convenience matters and that's why we've made online ordering an option for you. Simply visit the link mentioned in the catalog and register to place your order. It's a quick and hassle-free way to participate in this fundraiser and show your support for this important cause.

The Holiday Wishes fundraiser is set to conclude on November 10th, so please make sure to place your orders before this date. We anticipate that all items will be delivered during the first week of December, just in time for the holiday season.

Your involvement in this campaign is appreciated, and we encourage every one of you to be a part of this wonderful initiative. Together, we can make a real impact in the lives of young cancer patients and their families, bringing hope and joy during the holidays.

Thank you for your continued support, and let's make this holiday season a little brighter for those in need.

Warm regards,
MIT Student Council

PULSERA PROJECT REPORT

As part of the Hispanic Heritage Month Celebration and our Community Service spirit, The Hispanic Honor Society and the AP Spanish Language and Culture Service WE program collaborated on "The Pulsera Project".

The students sold bracelets during these two weeks to raise funds and send them to communities in great need. The bracelets are made by different cooperatives of artists formed by single mothers in charge of families and ethnic groups from Nicaragua that are in extreme poverty. All money from the sale goes back to education scholarships, housing projects, employment, and more positive support.

The students sold an outstanding amount of 204 bracelets and raised 1,488.00 dollars

A special recognition to our 2 top sellers:

Linnet Alvarez Ozuna sold 63 bracelets raising 471.00 dollars

Sofia Nieves Velasquez sold 30 bracelets raising 210 dollars

We are very proud to have students who care and are committed to helping others in need.

Students in our classes studied the topics of poverty, migration, ethnic communities, art, education, and fair trade while learning how to become global citizens.

The Pulsera project is a fundraiser designed for schools, for more information please explore their website.

MEDIA CLUB SPOTLIGHT

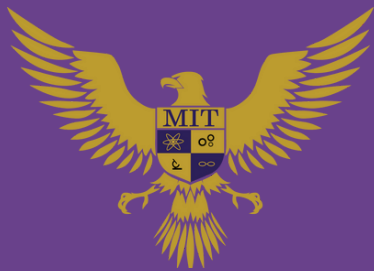

This Friday, MIT's Media Club released its first broadcast of 2023, covering all events from Quarter 1. During the creation of the broadcast, new members got to learn what goes on behind the scenes and how to use certain equipment such as operating a camera, planning scenes, editing a video, and more. For those interested in learning the arts of media, the Media Club will have meetings every Tuesday in Ms. Montiel's Classroom

STEMM SPOTLIGHT

Students in Mr. Tharp's Physics class had a great time learning the Kepler's first law of Planetary motion. Students learned the constant value of an elliptical distance by using the mathematical formula showing the distance between the focus point and object and two foci points. Mr. Tharp made this difficult lesson easy for students by incorporating the technology and drawing visuals using the smart board in his classroom. Thank you Mr. Tharp for your planning and preparation to make this challenging lesson fun and easy for our students.

REAFFIRMATION OF ADDRESS SURVEY

Dear Iron Eagle Families,

We need to keep our family contact information up to date. It is essential for us to have your correct information on file to communicate with you regarding your student, emergency situations, upcoming events, grades, etc. With that being said please fill out this survey as soon as possible.

If your home address has changed, please provide proof of your new address. You can send a copy of your proof address to our registrar at jcovarrubias@mitglobalonline.org or bring it to the front office. Our office hours are Monday through Friday 7:30 AM to 4:00 PM. We appreciate your help, thank you!

It may be difficult to schedule an appointment with your child's primary doctor for a sports physical. If that is the case, a local clinic called Concentra Urgent Care accepts walk-ins and the cost is \$35.

Address: 5340 W Buckeye Rd Unit 3 Phoenix, AZ 85043
Phone: (602) 233-2117

You will need the doctor to complete the approved CAA 2023-2024 physical form. This form can be found on the MIT athletics website under the tab called "Registration".

For the most up to date information, check out the calendar tab on the MIT Athletics website.

If you have any questions, please email our Athletic Director: nbutler@mitglobalonline.org
