IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday,

I hope you are doing well. We are getting closer to the Fall break and so is the end of Quarter 1. This week was certainly a busy week with many different events taking place on the campus.

We had representatives from the Phoenix Library on Tuesday, the NJHS/NHS sponsored movie night on Wednesday, the guest speaker from the child and nutrition department, and last but not least and the most fun event, the PEP RALLY on Friday.

We are happy to provide these informational seminars and fun events to MIT students but at the same time, we want them to do well in their academics also.

As I mentioned earlier, the quarter 1 grading period is coming to an end on October 6th so let's motivate our students to work on their academics and get good grades.

Have a great weekend everyone, I will see you on Monday..!!

BOOKSTORM AWARD

Great news for MIT Teachers...!!

MIT Teachers were awarded 500 books each through the Friends of the Phoenix Public Library, Bookstorm Award! MIT teachers spent Friday morning hand-selecting books for their areas of study and curriculum and brought them to their classrooms.

We would like to say a Big Thank you to Mr. Morganstern, our AP Literature and ELA teacher for providing this information to our teachers.

PULSERA PROJECT

As part of the Hispanic Heritage Month Celebration and our Community Service spirit, The Hispanic Honor Society and the AP Spanish Language and Culture Service WE program, are collaborating on "The Pulsera Project".

The students are selling bracelets during lunch these two weeks to raise funds and send them to communities in great need. The bracelets are made by different cooperatives of artists formed by single mothers in charge of families and ethnic groups from Nicaragua that are in major poverty. All money from the sale goes back to education scholarships, housing projects, employment, and more positive support.

Students in our classes are also reviewing the topics of poverty, migration, ethnic communities, art, education, and fair trade while learning how to become global citizens.

The Pulsera project is a fundraiser designed for schools, for more information please explore their website.

Students enjoyed this presentation. A big thanks to Ms. Chalabi, our CNS Director for organizing this informational seminar for our students.
