Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Family, Happy Friday!

I hope you're doing well. It was great to see the students back to school after the three-day weekend. The school days are going smoothly with a lot of learning and activities happening during and after school hours. I see the students have started working with planning events and the spirit week is coming soon.

We are also getting closer to the end of Quarter 1 and we would like our students to know that they have support available after school in case they need it for their academics. Our teachers provide office hours and the schedule is available in the front office.

Thank you all for your support and Let's keep up the good work!

Mr. Gandhi – Headmaster

ACT – SAT FEE WAIVER CODES

We are pleased to announce that the SAT and ACT National Assessment Test Fee Waiver Codes are now available for our MIT students. SAT and ACT are Standardized College Admission Tests that are very popular among high school students for getting admission to their choice of Colleges and Universities. At the same time, these tests are expensive and many of our students choose not to take them because they may not afford to pay the test fees. We do not want any of our students to miss out on the opportunity to take these tests and therefore we have obtained the fee waiver codes.

These fee waiver codes for the SAT and ACT are available with our counselor, Mrs. Walker. We would encourage students to speak with Mrs. Walker for more information and access to these codes. We wish all the very best to our students!

NATIONAL ASSOCIATION FOR COLLEGE ADMISSION COUNSELING (NACAC)

REMINDER:

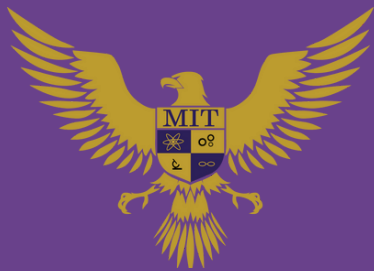

The National Association for College Admission Counseling (NACAC) will host a Virtual College Fair this Sunday, September 10th from 10:00 a.m. – 3:00 p.m. (Arizona time)

Over 100 colleges and universities will be ready and waiting to talk with you at the NACAC Virtual College Fair

Click the link below to register

CLASSROOM SPOTLIGHT

This Friday, students will step into the captivating world of chemistry as they embark on a thrilling flame test laboratory journey. These budding young scientists use the magic of fire to uncover the mysteries of different elements. By simply holding substances into the flames, they witnessed a dazzling display of colors that's as cool as a fireworks show. But there's more than meets the eye! These colorful flames actually hold clues about the tiniest particles inside each substance: electrons. Through this fiery experiment, our students will discover the science behind what makes things light up with brilliant shades.

SPORTS SCHEDULE

 - 7pm Football @ South Pointe High

SPORTS

Athletics Department Key Dates & Information

Our Winter Sports Parent/Athlete meeting is taking place on Monday, September 18th at 6:00pm in the MIT Lecture Hall. If you are interested in trying out for any of the teams listed below, then please join us to learn about our programs and meet our coaches!

- Boys Basketball
- Girls Basketball
- Cornhole
- eSports
- Chess

All students who want to try out for our winter sports teams must go to the URL below and follow the directions on the website page.

URL: <https://sites.google.com/mitglobalonline.org/mitathletics/winter-sports-tryouts>

The interest form will close on Saturday, September 30th. If an MIT student does NOT complete the sport-specific interest form prior to that date, they will NOT be allowed to try out.

After completing the interest form, students must then complete the "MIT Athletics Eligibility Packet" and submit it to the front office prior to tryouts. You can find this packet on the athletics website or in the front office at MIT.

It may be difficult to schedule an appointment with your child's primary doctor for a sports physical. If that is the case, a local clinic called Concentra Urgent Care accepts walk-ins and the cost is \$35.

- Address: 5340 W Buckeye Rd Unit 3 Phoenix, AZ 85043
- Phone: (602) 233-2117

You will need the doctor to complete the approved CAA 2023-2024 physical form. This form can be found on the MIT athletics website under the tab called "Registration".

If you have any questions, please email our Athletic Director: nbutler@mitglobalonline.org

HELLO HEADMASTER – DONUTS AND DISCUSSION

It was nice speaking with parents today during our first "Hello Headmaster" event.

We had a great time discussing some important updates and upcoming events at MIT while enjoying some delicious donuts and coffee. Parents were happy and excited to know that the ACT and SAT fee waiver codes are now available for our students. There were also a few suggestions from parents that we will plan on implementing in the near future.

Our next meeting will be in the first week of October and you will receive an RSVP Google form by the end of this month.

Have a great weekend Iron Eagles!
