

April 8th - April 12th
Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday..!!

It is great to inform you that we completed the State Assessments for all of our Magnet Jr. High Students and our 11th-grade students. We had more than 98% attendance on the regular school days and we finished the makeup testing for the remaining students. I am very proud of our students for taking these assessments seriously. We are looking forward to achieving higher scores again this year.

All of our 9th-grade students are scheduled to take the ACT Aspire next week on April 16th and April 17th. Our 10th-grade students will also take the Practice ACT on the same days. These assessments are very important for our freshman and sophomore students to get ready for college and career in the next high school years.

Again, thank you parents and guardians for your continued support at home. We will finish the state assessments next week and we will take a short break from the testing before we start our AP Exams in the First week of May.

Next week, we are celebrating the Multicultural Night at MIT, on April 19th from 5:30 to 7:30 PM. You will receive the details in the Flyer and the RSVP form on Monday. Find some more information about our upcoming events in this newsletter.

Everyone, have a wonderful weekend and I will see you on Monday!

Mr. Gandhi, Headmaster.

SCIENCE ETHICS COMMUNITY PROJECT

Mrs. Alba's Science Ethics Class has been working on a project to improve our "MIT Ethics." Each team researched a topic and interviewed the MIT community about issues in their areas. Based on analysis of the data collected in surveys and interviews, they created an awareness campaign to improve our MIT Ethical Culture. Some teams designed informational websites created awareness posters and made commercial videos with information and skits to educate our community about its importance. The campaigns will be shared with our school and community in the next two weeks.

Our themes are:

Homework and Test Honesty, Avoid Drugs, Healthy Eating, Physical Activity, Traffic Rules, and Adequate Use of Phones.

Please be aware and help us build a better MIT Community!

MIT STATE TESTING SCHEDULE

Dear MIT Parents/Guardians,

It is that time of year for State Testing. See below for this year's testing schedule. Please be aware:

- Students are not permitted to have any electronics with them while testing. This includes cell phones and smartwatches. Students will be asked to turn them off and put them in their backpacks.
- Headphones will be provided by the school. However, some students may prefer to use their own headphones, which is fine, but they must be wired headphones. Bluetooth headphones are not permitted.

If you have any questions, please contact the front office.

Bringing awareness to the beauty of our diversity

We're going to...

JAPAN!

Spring 2025

Dear Parents & Guardians,

I am so excited to invite your student on this upcoming educational travel opportunity! Learn more about this exciting tour at an information session where we'll discuss:

- What we'll see and do
- Travel logistics
- How to earn high school or college credit
- Affordable payment options
- How to enroll on this trip (before it fills up!)

Please register for the meeting by 4/15

I look forward to seeing you there!

Mr. Morganstern

P.S. Can't make the meeting but want more information?

The poster is set against a black background with a gold Art Deco-style border. It features a central banner for the event name and time, and a list of details at the bottom. The text is in a mix of bold, serif and sans-serif fonts.

MIT ATHLETICS

MIT SPORTS CELEBRATION

All Fall, Winter, & Spring MIT student athletes must RSVP for themselves and up to four guests for this event. Athletes and guests will not be allowed to attend the MIT Sports Celebration unless they RSVP. The deadline to RSVP is Monday, May 6th.

**MONDAY,
MAY 13TH**

During this event, we will be celebrating our coaches, senior student athletes, awarding team MVPs, recognizing the male and female athletes of the year, as well as recognizing the male and female coaches of the year.

We will be hosting this event in multiple sessions so that we have enough room to fit everyone in the MIT Lecture Hall comfortably.

While you are waiting for your team's session, you may wait in the cafeteria or outside the lecture hall.

At the conclusion of each session, we will be providing pizza, chips, cookies, water, and soda in the MIT cafeteria.

MIT STEMM HIGH SCHOOL ENROLLMENT 2024-2025

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the 2024-2025 enrollment is available on our school website in both English and Spanish. Please click on About Us, our school, and select APPLY TODAY. once the form is filled out it can be downloaded and sent to the MIT front office admin team via email at jcovarrubias@mitglobalonline.org.

If you refer a new student to attend our school be sure to let that family know to mention your name when they register, so your student can get a free uniform!

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:

MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:

Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
